▼ Kaju Pulao
Cashew Pulao is the simplest, yet flavorful pulaos that you can ever think of. It is also like being fancy with a rice dish, but not fancy too. Nice long fragrant basmati rice, onions, ginger-garlic paste, cashews and some whole spices in a pressure cooker and voila! A thing of beauty is done in just 2 to 3 whistles. The flavor of the cashews coming through in this pulao makes every bite of this Kaju Pulao heavenly. If you want to use the readymade ginger-garlic paste instead of making at home, do that. Want to make this no-fuss pulao in a pot or pan and not the pressure cooker? Go ahead with it. view more

kaju pulao recipe | cashew pulao lunch box recipe | kaju matar pulao with detailed photo and video recipe. perhaps one of the easy and simple, yet flavoured vegetable rice recipes loaded or topped with cashews. it is an ideal lunch box or a pot luck meal which generally do not require any curry or raita but taste great with salad and salan. it is basically a spicier or chatpata version of shahi pulao with lesser dry fruits and more spices, herbs and flavour.
